## *Student Council*

Student Council this year has tried to make each student feel as if he is important in our school, even if he does not serve on Council.

The "50-51" organization instituted among other things The Student Talent Inventory. This consists of a file of students and the areas of work in which they are interested and through which they might be of service to the Council and the school.

Through Council's School Spirit Committee the

Sportsmanship Jug was put into effect. This jug was awarded to the cheering section that best cooperated with the cheerleaders at the basketball games.

Important in this year's projects is the school flag. Designed by Gil Dudley, the flag has a gold lion on a blue background.

This year's Student Council has made some noteworthy achievements and has had a particularly successful year.

## *The Corral*

With over 1100 members "The Corral" again proved itself to be one of the biggest youth organizations in the United States.

Watching television, playing ping pong, dancing, eating, and just talking are some of the things done at the Corral.

The biggest project of the year, the Corral Show, was called "Corral Cavalcade", and showed the audience that a lot of the organization's members have talent.

"The Fan Dance" was given to welcome a new air conditioning unit to the Corral. Caroling dur-

ing Christmas vacation and numerous dances throughout the year were other activities offered to the members. One of these dances was given at the end of the membership drive to which the class with the highest percentage of members was admitted free. The seniors won after a tight race with the freshmen.

With Pete McKinney doing a bang-up job as president and with the co-operation of all of the members, the Corral lived up to its nation-wide reputation as one of the best youth organizations in our country.

## Hi-Y

Hi-Y had a very active and interesting year, under the leadership of President Bob Carlisle, aided by first vice-president, Dick O'Connor; second vice-president, Roland Myrmel; secretary, Jim Populorum; treasurer, Ralph Baehr; and chaplain, Jim Waggener. Membership increased enough this year to allow the boys to donate \$50.00 for the new building fund of the La Grange Y. M. C. A.

The annual paper drive in March was a big success this year, as were other activities, such as the swimming program at the Oak Park "Y", the movies at the Mardi Gras, and the special speakers. These speakers included Mr. Weidner, who spoke on the Seabees; the Reverend Mr. Chris-

tians, and Mr. Hallet, who presented the speech, "Occupations in Japan."

The sponsor, Mr. John Payne, helped the boys to live up to their motto, "To create, maintain, and extend throughout the home, school, and community high standards of Christian Character." The La Grange Hi-Y meets twice a year with the Downers Grove group. Gil Dodds, the miler, spoke at one of their joint meetings.

Perhaps the most impressive meeting of the year was the candlelight initiation ceremony. A display of big and little candles was put up to represent the peoples of the world. This ceremony was to show that all races are equal in the sight of God, as all the candles gave off the same light.

## Tri-Hi-Y

Tri-Hi-Y is the teen-age girls group of the Y. W. C. A.

This year meetings were held at the La Grange "Y" because the girls voted to change from the Western Springs Congregational Church.

A special attraction was added to the club in 1950-51 when the basketball team, the Tralta Trotters, was formed. Two games were played with an Evanston team, each team winning one game. Miss Haeger was the coach and supervisor.

Other activities were the annual picnic at Bemis, a pot-luck supper for fathers, and a joint meeting with Hi-Y to hear "Miler" Gil Dodds speak. Several other good speakers who talked on the

vocation of a stewardess, boy-girl relations, the Waves, nursing, and colleges appeared before the group. Two bake sales and the big taffy sale supplied enough money for the girls to give \$50 to the World Service Fund, and all junior-senior girls received pins. The girls also sold taffy apples at the Mardi Gras, which paid for the Homecoming float of angels and clouds to represent the theme, "Our Team is Out of This World."

Much of the success of the club this year is due to the officers: president, Carol Baker; vice-pres., Carolyn Greaves; secretary, Marlyn Kasson; and treasurer, Dona Lotka; West Suburban Council representative, Pat Sloan; and City Council representative, Elaine Pendexter.

This terrific annual — the Tabulae of 1951 — is the result of many long hours of fun (and work!) spent by the Tab staff.

After continual proddings from the editors, we finally managed to get all our write-ups in not too long after deadlines, but there were literally dozens of things to be done before the final copy was shipped off to the printers early this spring. Any day after school one could always find plenty of jobs just waiting to be done in room 302 — rewriting, typing, mounting, and reducing pictures; or if you didn't feel too ambitious, looking at new pictures and criticizing others' feeble attempts at writing. There was always something doing in the Tab office!

The cute "Lyon" on our cover is a product of Sue Bockewitz's talent; artists contributing the motifs throughout the Tab are Sue, Midge Greenlee, and Barney Gragg; and credit for the excellent photography goes to Bob Hill. However the real "punch" behind this bang-up job is Louise Adams with the help of associate editors Jane Hazelton and Bill Walcott and the expert supervision of faculty adviser, Miss Ruth Keizer.

Other writers and make-up workers were Pat Biggs, Jack Brophy, Joan Clay, Jane Cunningham, Betty Greene, Joyce Heath, Marlyn Kasson, Elaine Pendexter, Joanne Rosso, Joanne Sanson, Robin Sommers, Marilyn Towler, Bonnie Bartley, Mary More, Janet Campbell, Betty Hartsell, Jim Populorum, and Jim Sherwood. The typing was done by Joanne Rosso and Marilyn Towler, assisted by Jeannette Lorch and Mildred Wray.

We, the Tabulae staff, hope that you will enjoy reading the Tab as much as we enjoyed putting it out.

Rated as one of the top high school publications in the nation last year, the 1950-51 Lion under the direction of co-editors Bonnie Bartley, Janet Graf, and their associates Dennis Butterfield, Fred Tuttle, and Carole Vodak strove to keep up this fine standard. Assisting the editorial board were the heads of departments: Dick Neice, advertising; Joyce Griffin, business; John McKenzie, sports; Warren Duckett, photography; Midge Greenlee, features; Pat Loomis, press bureau; and Nancy Kuntz and Jack Munns, copy.

The large staff of forty-nine wrote stories, sold ads, and took pictures twice a month for eighteen issues of from six to twelve pages.

In addition to putting out the paper, staff members attended Chicago Scholastic Press Guild meetings held on Saturdays. Twenty delegates represented the Lion at the National Scholastic Press Association convention at the Stevens Hotel in Chicago, where they learned many journalistic techniques. The staff also wrote for the LaGrange Citizen, several journalism contests, and sent representatives to the Keen Teen Press conferences where they interviewed celebrities such as Red Skelton and Senator Robert Taft.

For the second straight year, the Lion won the All-American honor rating, the highest honor which is given

B. Bartley, J. Graf.

to thirteen high school papers from NSPA. International honor rating (highest rating from Quill and Scroll society) and the George H. Gallup award were also received by the 1949-50 paper.

Devoting long hours and giving much appreciated guidance was Miss Kathryn Keefe.

## O. E. O.

Omega Epsilon Omega, an honorary organization for girls making an average grade of 2.5 or better, was a very active club this year. It underwent reorganization, and now holds three regular meetings a year. These three were the reorganization meeting, travel pictures shown by Mrs. Lenser, and a meeting to honor the graduating

seniors.

In addition to holding three regular meetings, the members welcomed the college representatives and showed them the school, and were in charge of the college bulletin boards. Another valuable service done by them was writing out the Career Day slips.

## Honorary Science Club

Under the leadership of Barney Gragg, president; Gordon Lohman, vice-president; and Mr. Craven, the sponsor, Honorary Science Club launched its activities in its first full year of existence. Its purpose is to enlarge the members' experiences in their study of science; and, more specifically, to aid the members in preparation for entering the Westinghouse Science Talent Search and other similar contests.

The club members have also obtained individual help from men from the field of science living in near-by communities.

## Debate

On the date of this writing, our varsity debate team had won more trophies than ever before in the same amount of time. Our star varsity team, which accomplished this, included on the affirmative Keith Yarborough, Lee Battles, and Van Ooms; and on the negative Bob Wier, Duane Batista, and Chuck Nagel.

With their brilliant debating on the question, "Resolved: that the American people should reject the welfare state", our team won the tournament at Lake Forest College, DeKalb State Teachers College, Augustana College, the Metropolitan Debate Union, and the Ottawa Sectional Contest. Their most outstanding victory was at the Blue Island Lincoln Day Debate, where they took

first in all three divisions: varsity, junior varsity, and beginners, not to mention that Van Ooms and Bob Wier were elected the best varsity speakers at the tournament.

An important part of the debate team's activities which often goes unnoticed is participation by individuals in state meets in extemporaneous speaking, oratorical declamation, and original oratory. Our three entries in these fields are, respectively, Van Ooms, Lee Battles, and Frank Cicero, all of whom won in the sectional tournament, and will participate in the state finals.

"All in all, our team has had an excellent year," says Mr. Rehn, the debate coach, "and also has fine prospects for the future."

The purpose of Conservation Club is to teach its members how to practice the preserving and rebuilding of our national resources. The goal of the club is to send as many members as possible to the conservation school at Lake Villa. Biology Club united with Conservation Club this year.

The club had two large projects: the first was spotting log-jams along Salt Creek. The second project was determining where pollution entered the creek. This information was given to the Illinois State Conservation Department.

The club sent delegates to the State Convention of the Illinois Association of Conservation Clubs. The club has several interest groups: mountain climbing, canoeing, and horticulture, and will have more as soon as enough members are interested in them.

The sponsors are Mrs. Wenner, Mr. Schwass, and Mr. Swisher. The officers are Bob Mosher and Ralph Baehr, Co-Presidents; John Vaughn and Jane Toates, Co-Vice Presidents; Donna Murdock and Jim Sturrock, Co-Secretaries; and Rich Fevold, Treasurer.

## Red Cross Council

Red Cross Council, a small but active group, was in charge of the Red Cross drive held March 6. A total of \$193.20 was collected to help carry on the work of the International Red Cross. Previous to the drive the council procured a movie about the work of the Red Cross, which was shown to the entire school during an assembly.

The other main activity of the organization was selling candy at the basketball games, the profit from which was donated to the Red Cross. Dick Wegner was in charge of the candy sales, while Edward Hile managed the drive.

Camera Club, one of LT's oldest hobby clubs, has had another busy year under the leadership of the following officials: Dick Wegner, president; Ed Sweet, vice-president; Dave Yount, secretary; Don Eckert, treasurer; and S. L. Davis, sponsor. As usual the members sponsored the National Scholastic Photographic Exhibit; took photo-

graphs at the Mardi Gras; went on several Saturday field trips; furnished staff photographers for the Tabulae; and had a salon in the spring in which the works of the members were proudly displayed. From these events the photographers gained experience which should help them to keep up the club's fine reputation.

## Stamp and Coin Club

Any El Tee student interested in stamps or coins is definitely a candidate for Stamp and Coin Club where he will have the opportunity to discuss and further his hobby. With Mr. John Davis acting as faculty sponsor and under the able leadership of Bill Gothard, president; Bill Rosol, vice-president; Ron Bailey, secretary; and Norman Fisher, treasurer, this club finished another successful year. Its meetings consisted of several speakers, auctions, and sales of late issue stamps (with refreshments!)

Elected through the gym classes, the Boys' Club Board consists of five members from each class. Meetings are held bi-weekly under the direction of Mr. Warkow. The board's efforts are directed toward providing more opportunities for all the boys of LT.

First of the programs to get under way this year was organizing the Boys' Club Directory. This job required a complete re-check of each class. The next big task was the presentation of the annual Boys' Club dance, this year called the "Red River Ramble". The affair was very successful, yielding quite a large profit.

As can be seen through the club's efforts, the boys at LT have had varied activities in which to participate.

Girls' Club began another successful year with the Big and Little Sister Party, this time called "Francie at the Fair".

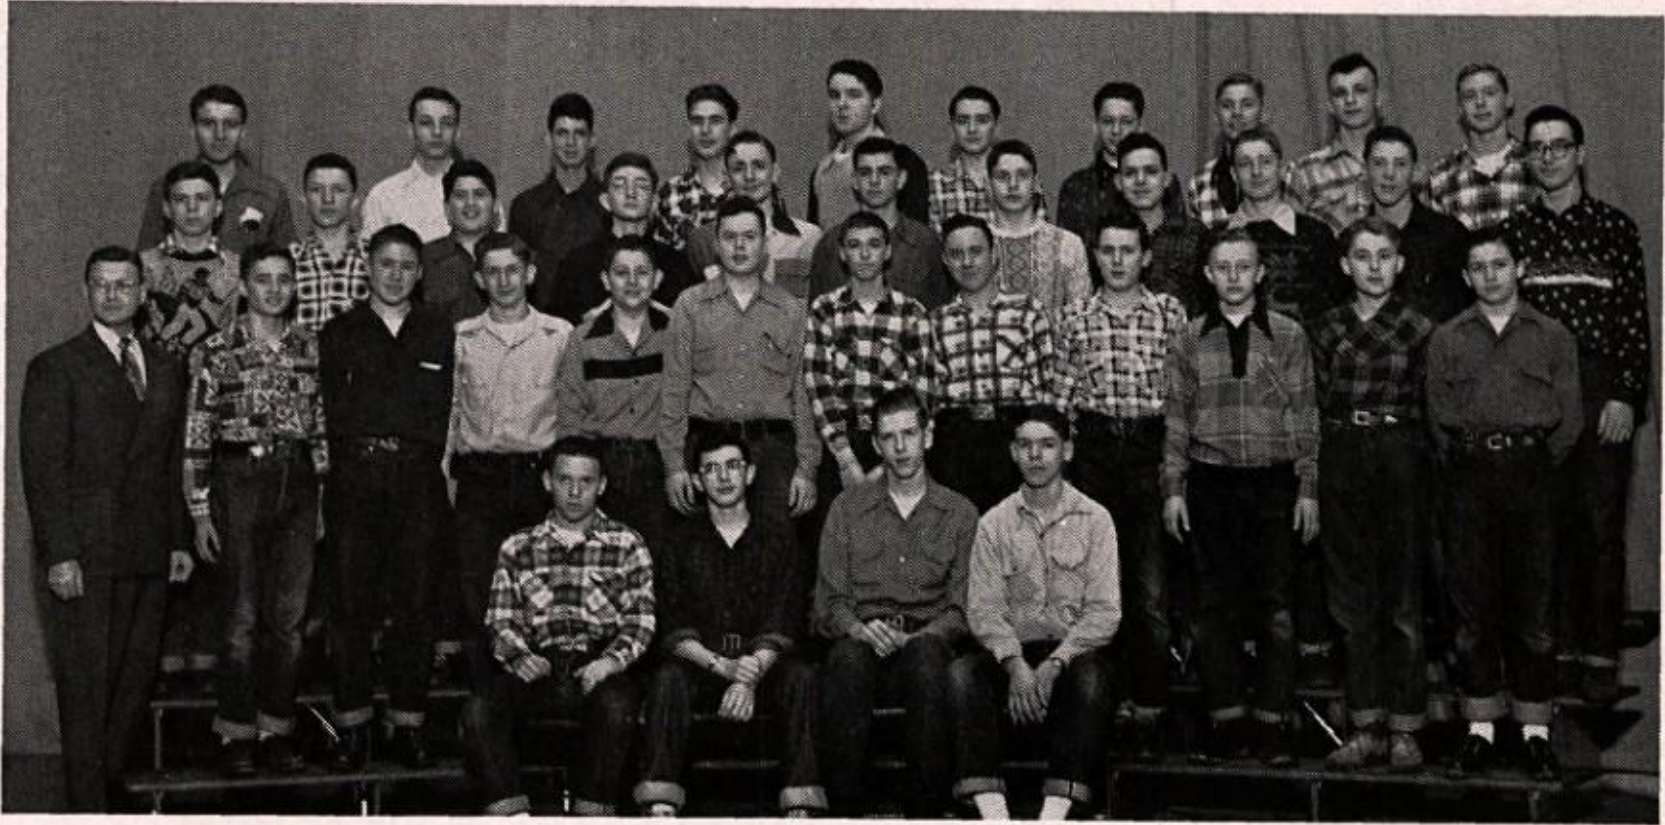

The many interest groups began functioning almost immediately, each doing a commendable job. One of these groups, Have a Heart, did a service to the school by sponsoring the March of Dimes, a canned food drive, and the sale of handicraft made by disabled veterans.

Among the highlights of the year was a series of lectures by a famous fashion expert and stylist. The board members attended many meetings with other schools. One of these was the annual Girls' Club Conference held at Morton.

## Rifle Club

Originally a part of Boys' Club, this special interest group is now on its own. Since shooting is a popular sport among the boys, each year the size of the club increases. It is hoped that riflery soon will become a conference sport. This organization has the valuable objective of teaching the boys the correct use of fire-arms and keeping rifle

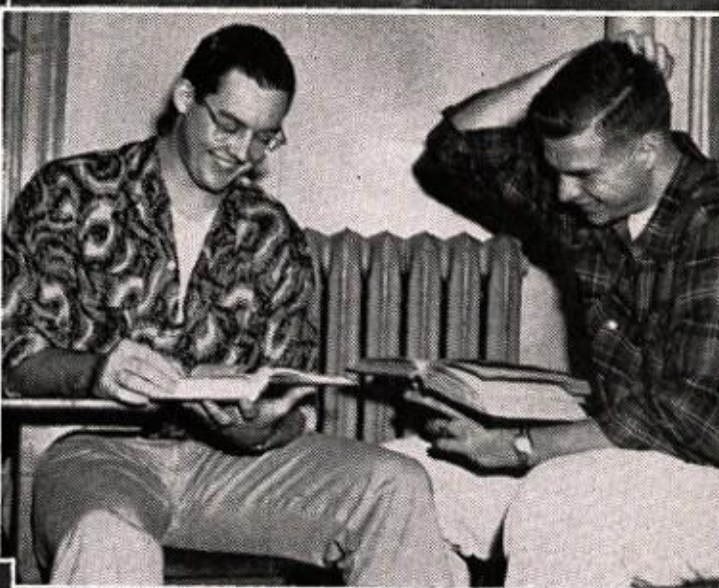

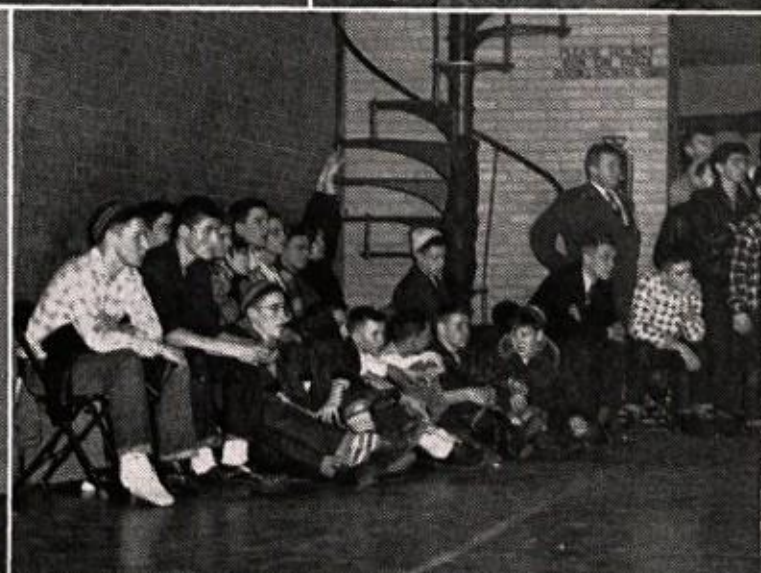

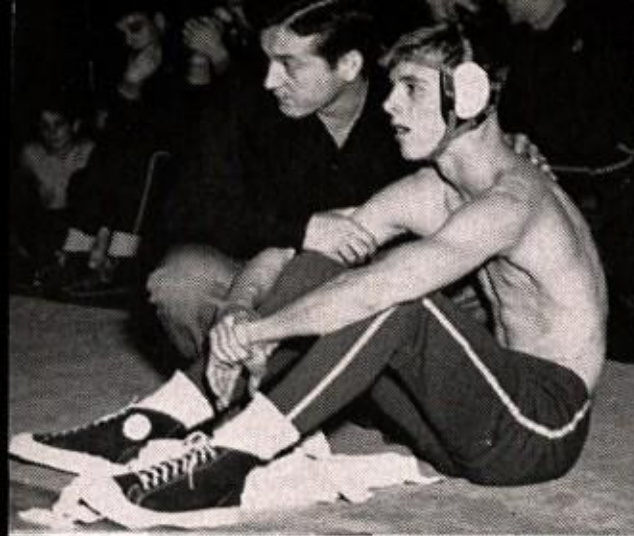

shooting a safe sport. This is its third year of operation. The club received free of charge this year ten brand new rifles from the Army. The group belongs to the National Rifle Association and the boys may take tests enabling them to receive recognition equivalent to that of a sharpshooter in the Army.

## Home Ec Club

Home Ec Club, to which all girls taking some home economics course may belong, had a very busy and interesting year which started with a picnic at McCormick Woods.

At Christmas time the girls were hostesses to a group of under-privileged children whose names were given them by the Community Nurse. Santa Claus (alias Elmer Alderdyce) was there with gifts to complete the party which consisted of singing, a journey through L.T. and refreshments.

Another big event of the year was the Mother-

Daughter Valentine's Day Tea. The program was presented by the various departments of Home Economics, each of which gave a demonstration of its particular phase of learning. Punch and cookies were served afterwards.

Other programs included a freshman girl speaking on home economics and a demonstrator in the home economics field.

To end a wonderful year the evening meeting of the Home Ec Club was called in May to elect officers for next year.

German club, sponsored by Miss Rathert and Miss Wittmayer, enjoyed a very successful year. At one of its four meetings a senior, Vello Hansen, gave a talk about Germany and the German people as he knew them when he stayed in that country.

To add to their understanding of the language, the members included in their activities a bus ride to Chicago to see two German movies.

"Le Cercle Francais," which consists of the sixth period French II class, is organized for the purpose of improving conversational ability and broadening the knowledge of France and French customs. There were several interesting and appreciated speakers this year. Another feature enjoyed by French Club was the French pastries eaten at meetings.

French Club very successfully sponsored the telegram booth at the Mardi Gras, and took third place at Homecoming with a float of their version of the Eiffel Tower.

El Circulo Espanol offers its members a great deal of entertainment at all of its four meetings. This club especially excels at the Mardi Gras when the members go all out for the festivities by selling flowers. The Spanish Christmas Party with its gaily decorated "piñatas" was combined with the other language clubs this year so all the students might see the yule-tide customs of other countries.

## Virgil Club

Virgil Club, composed of third and fourth year Latin students, is organized for the purpose of furthering the knowledge of Roman customs. The highlight of this year's activities was the annual Roman banquet, at which the members had food eaten in ancient times. Leading the club this year were: Nancy Seegers and Nancy Futrell, consuls; June Keir, quaestor; Sally Coder, scriba; and Bill Jacobs, tribune of the common people.

## Latin Club

Latin Club, one of LT's largest organizations, is composed of Latin II students in learning more about Latin and the ancient Roman customs. There were four meetings this year, one of which was held near Christmas together with the rest of the language clubs. At another meeting the students heard Miss Renate Ellinger, who told of her experiences while travelling by bicycle throughout Italy.

## Fi-Kem

Those students with scientific minds were given an outlet for their talents in Fi-Kem. This club had many fine programs; an especially interesting one was a film describing the way to fly an airplane. Among their many field trips was a visit through the laboratory of Universal Oil Products. Here they were able to see and hear about the many problems of the petroleum industry. Another trip took them to the La Grange

station WTAQ, where they saw the equipment necessary for a radio station. The highlight of the year was a tour through Inland Steel Corp., where they witnessed the processing of steel, from raw ore to finished steel beams.

The club's sponsor was Mr. Warning, and the officers were Herbert Dix, president; Gill Dudley, secretary; and Earl Ryba, treasurer.

## Writers' Club

Under the able leadership of officers Betty Petrulis, Barb Gariepy, Annette Wylie, and Ann Williams, as president, vice-president, secretary and treasurer respectively, Writers' Club gave unlimited opportunities for the improvement and recognition of their literary efforts to all interested LT students. Many original writings were represented in pamphlets containing the best high school poetry and prose in Illinois. A large number of the club's meetings were devoted to discussing and criticizing of the efforts of fellow "enthusiasts". The annual project, the publication of *Pen and Inklings*, kept the members and faculty sponsor Miss Jordan busy for many weeks sorting and arranging original manuscripts. These were submitted by representatives from all four classes. This magazine is fast becoming one of the school's finest traditions, as the 1951 edition proved.

All Arts Klub's biggest project of the year was the Christmas window which depicted choir boys of different nationalities singing together. They also displayed their artistic ability in their Mardi Gras booth, which consisted of a pirate looking down over his treasure while treasure-seekers walked away with the prizes. Kodachrome slides of modernistic furniture were

shown at one meeting, and slides on pottery were shown at another. Still another meeting was devoted to a demonstration on ceramics. The club also made Mother's day cards for the veterans at nearby hospitals to send to their mothers. In the spring the club members had a chance to sketch nature; for they went on a sketching tour, climaxing the trip with a picnic.

## Dramatics Club

The members of Dramatics Club this year were all very enthusiastic and worked hard in making the year a successful one.

At each of the monthly meetings there was a program presented either by members, or by a guest.

Mr. Stacey directed the club in a one-act play for the Memorial Day assembly. Other headliners of the year were a trip to Chicago to see Peter Pan; an enjoyable pantomime skit at the Mardi Gras; and a one-act play presented by the members for their parents and friends.

## Mu Tau

Mu Tau is the club for students who play instruments or just like to sit and listen to music. This large group had many interesting meetings when the club members displayed their talent. Added attractions were the introduction to the Chimes of Normandy, the operetta presented by the choir, and the grand finale dinner-meeting in the spring. A contest held by Mu Tau, pre-

liminary to the district music contest, offered the contestants entered from LT the opportunity and encouragement to perform before a qualified critical group.

Joy Reeve, president; Joyce Heath, vice-president; Lois Clarke, secretary; and Charles Nagel, treasurer, helped the group with Miss McCusker and Mr. Dissinger, sponsors.

## Quill and Scroll

Organized as an active club for the second straight year at LT, Quill and Scroll is a chapter of the international honorary society for high school journalists. Juniors and seniors on the LION and TAB staffs, in the upper third of their class, who had 85 inches published and a sample of their work approved by the executive secretary of the organization were admitted for membership.

The group held meetings at night approximately once a month at the homes of the members. Highlighting the year's activities was a spring reunion of the past and present members.

This year the group elected Bonnie Bartley, president; Carole Vodak, vice-president; Janet Graf, secretary; Midge Greenlee, keeper of the archives; and Dennis Butterfield, program chairman. Miss Keefe and Miss Daugherty were the sponsors.

## Operetta

If you like haunted castles, dashing French noblemen, and romantic legends, you would have liked this year's operetta, *The Chimes of Normandy*. The story opens outside the village of Corneville, where an annual hiring fair is being held. People are milling about, and gossip spreads, it being said that Germaine, the neice of old Gaspard, a miser, is going to marry the Bailli. However, Germaine will have none of this, for she has vowed to marry only Jean Grenicheux, a good-for-nothing fisherman who once saved her life. At this point Henry, the long lost heir to the haunted castle of Corneville, returns, hears of the ghosts in the castle and decides to investigate.

Once in the castle he and the villagers find papers which make Serpolette, the village cut-up, believe that she is the daughter of the Count De Lucinay, a former friend of Henri's father. They also find

the cause of the supernatural visitants to the castle. Gaspard has been keeping his money there and fabricated the ghost story to keep it safe. When he is caught with the goods and hears the bells ringing the return of Henri, he goes crazy.

The villagers arrange a fete to honor Henri on his return to his ancestral home. Serpolette arrives as a marchioness, but Gaspard regains his reason and shows that Germaine is the true marchioness. A love duet between her and Henri and the reconciliation of all parties brings the romantic story to a close.

Much credit for the success of this production must be given to Mr. Dissinger, Miss Sheppard, Mr. Gianuzzi, Joy Reeve, and the orchestra, all of whom worked overtime to support the choir.

## Senior Play

This year's senior class play, *Yes and No*, is a comedy in two acts and an epilogue. Everyone agreed that it was a big success, for which Mr. Bacon, the director, deserves much credit.

The play takes place in Somerset, England, in the living room of the Upper Werton Rectory. Handsome Adrian Marsh (Lewis Fisher) is about to ask Joanna Jarrow (Nancy Seegers) to marry him. Act I explains what would have happened if she had said "no". The delightful characterizations of Jo's forgetful father, the Rev. Richard Jarrow; her kindly but rather flighty mother, Emma Jarrow; and the cleaning woman, Mrs. Webb, (who had been married three times and knew all about raising other people's children) were well handled by Dan Diersen, Meryl Snyder, and Madge McKiernan. They kept the audience laughing throughout the play.

Act II shows what might have happened if Jo had said "yes". In this case, they would have gone off together to the Orient where Adrian owns some oil wells. Sally Jarrow (Nancy Williams), Jo's younger sister, would probably have married the Rev. Mr. Bagshot (Bob Rogers), who had been her "beau" for some time.

However, what actually happened is revealed in the epilogue, which gives a surprise ending to the play. Jo marries Mr. Bagshot, and Sally is the one who finally marries Adrian.

## Junior Play

On October 13 and 14 the class of '52 presented its first dramatic success — *Mother is a Freshman*, a comedy in three acts dramatized by Perry Clark.

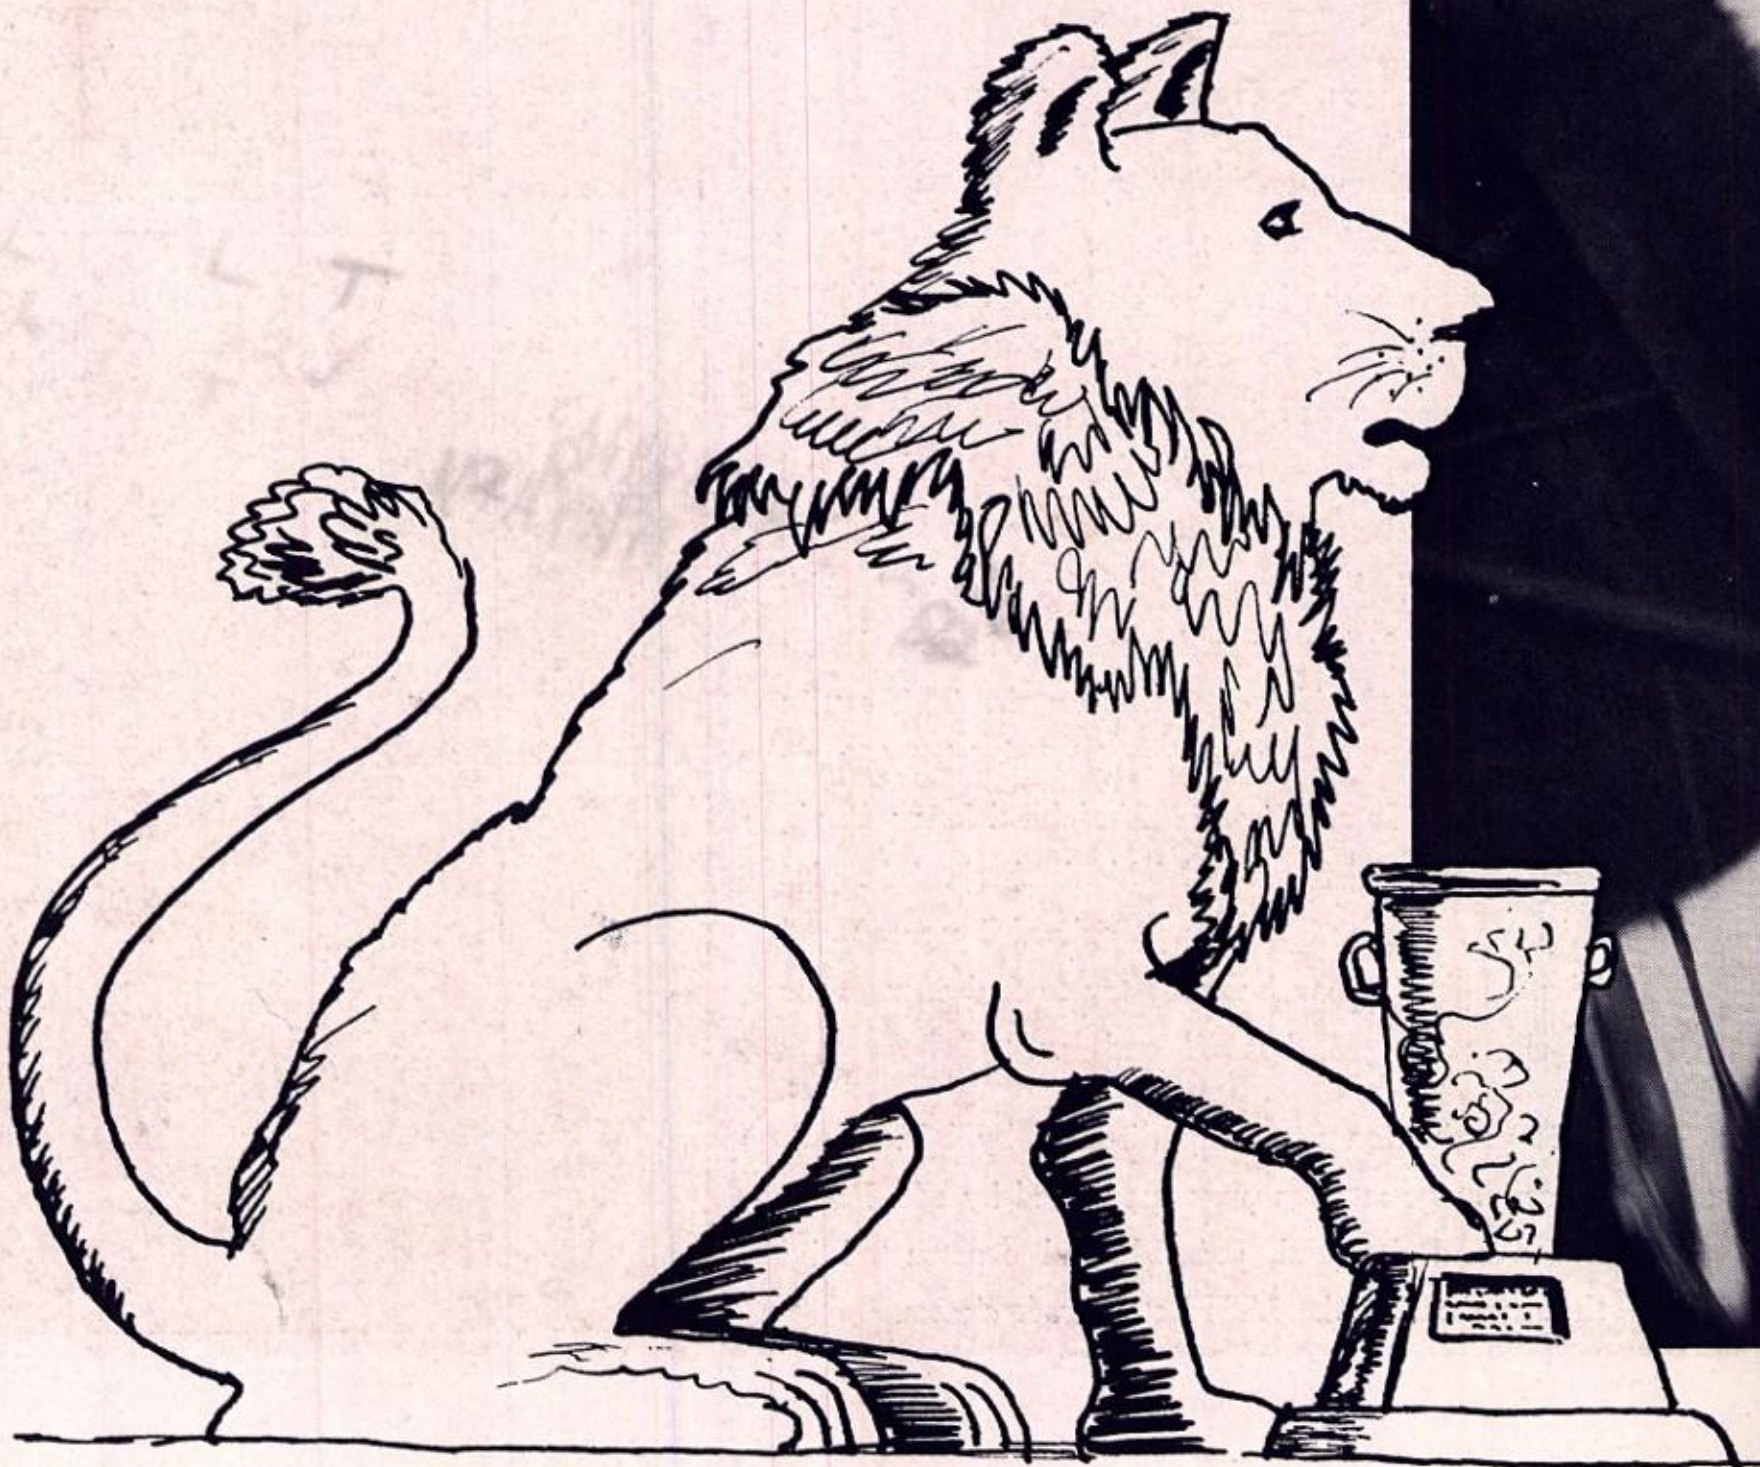

The play begins when Abigail Abbott (Janis Yeager) applies for, and receives, a scholarship to Pointer College in order to keep her daughter Susan Abbott (Virginia Rhoads) in college. Naturally Susan tries to keep her mother's identity a secret, which brings about many humorous incidents. All the local "wheels" of the campus (Don Armstrong, Bob Hoff, Bill Krafft, Jack Munns) are enftuated with Abigail and so is Professor Michaels (Duncan Fleming), who is the idol of all the co-eds. This causes ill feelings between Abigail and "the girls" (Merry Cole, Sally Ives, Virginia Lindahl, Nancy Raab, Lois Rasmussen, Marilyn Mehlenbacher). The plot thickens as Dean Gillingham (Richard Sweeney) and Mrs. Miller (Deborah Bond) try to find excuses for expelling Abigail, but all ends well.

This production was ably directed by Mr. Frank Stacey; stage settings were supervised by Mr. Frank Bacon and designed, painted, and constructed by the members of the LTHS stagecraft classes.

This year's Cross-Country team improved over the record of the last couple of years by placing second in the conference meet. The team had had hopes of capturing the title in light of the fact that they had bested all competition with conference schools up to the conference meet. The only close contest was with Maine, the team winning the conference meet. However, the L.T. team defeated Maine in the final contest by taking the first three places.

One of the highlights of the season was the lopsided victory over R.B. which was the biggest score an L.T. Cross-Country team ever made against any opponent.

The Frosh-Soph team led by Kenyon Segner, who set the course record, literally ran away with the Leyden Invitational Meet. This made the second time in the past three years in which the L.T. team has won the meet.

With only Dave Watson, Jim Ackerman, and captain Bill Walcott, graduating, the future of the team looks very bright.

# Varsity Football

This year's varsity football squad did a really bang-up job in regaining the conference title which was lost last year. At the close of the season the squad was rated fourth in the State by the Sun-Times sports editors.

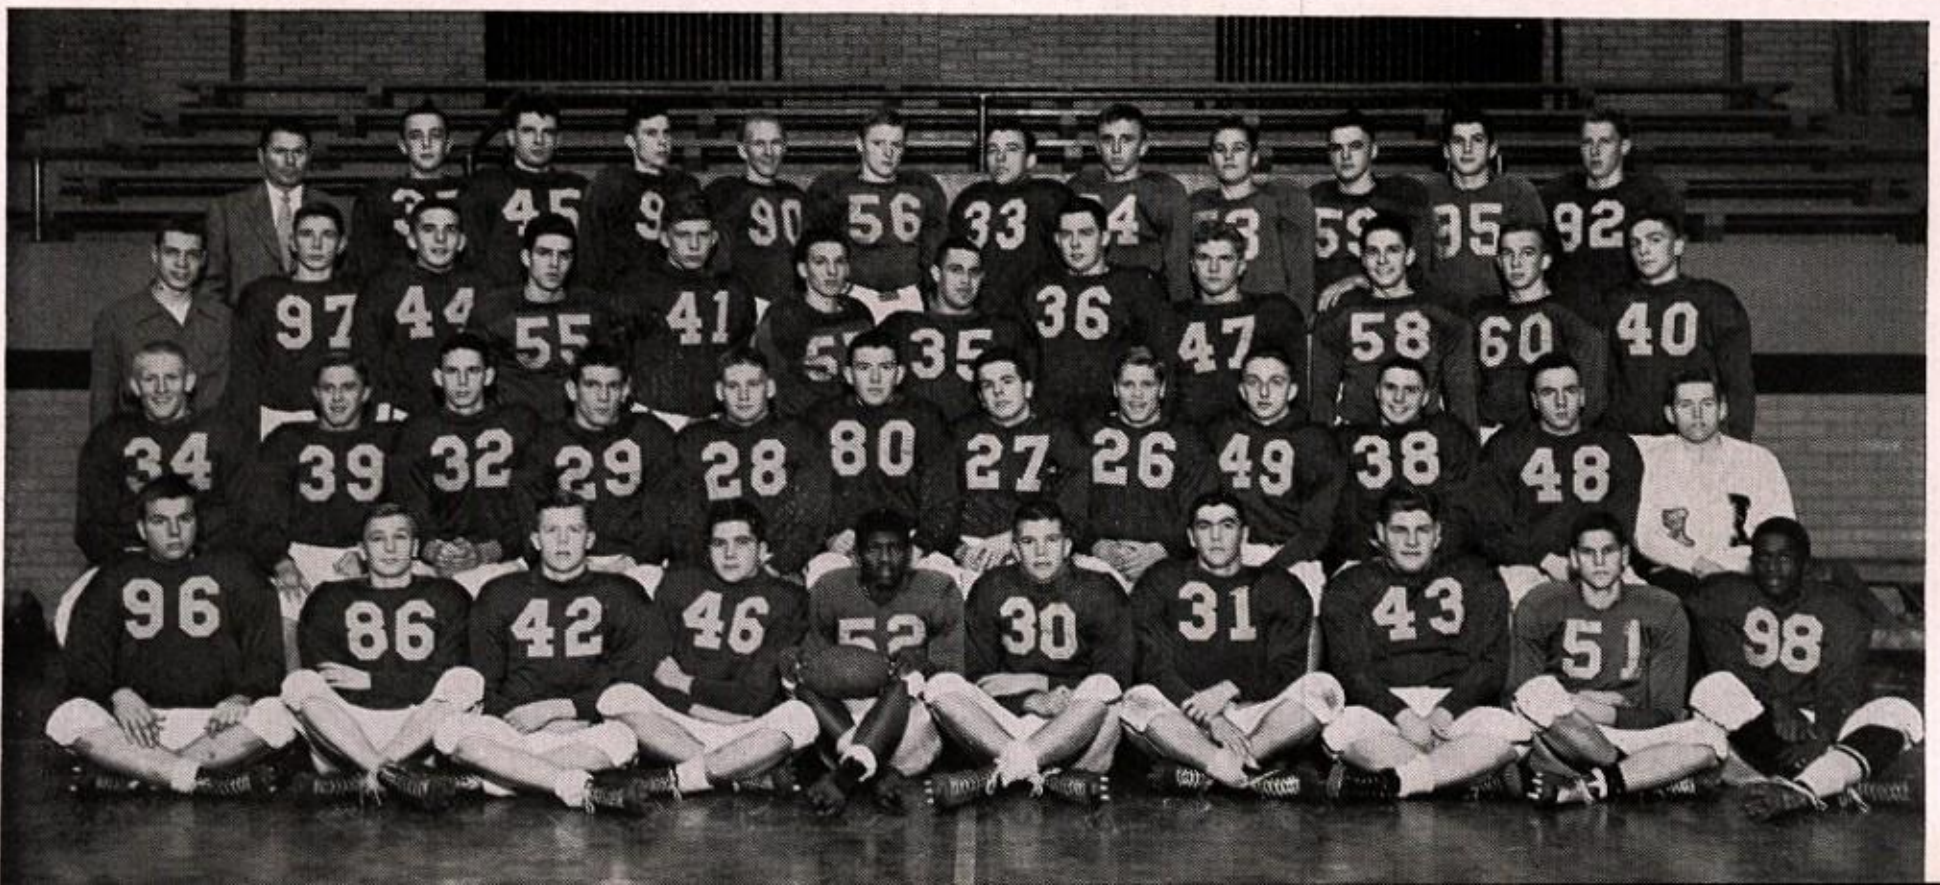

After four weeks of rugged drill the Lions went forth to meet the highly rated New Trier team, to whom they had lost the previous year in a non-conference clash. Neither team scored in the thrilling first half, and the Lions went off the field for the intermission on even footing with their formidable foe. The second half was a different story, however, as La Grange pulled ahead by two touchdowns to win a 12-0 decision. The following week saw La Grange face to face with Hinsdale in their first conference struggle. The Red Devils beat La Grange in the '49 season 12-0, and the Lions were set for revenge. And

revenge it was, to the tune of 39-0, La Grange over Hinsdale.

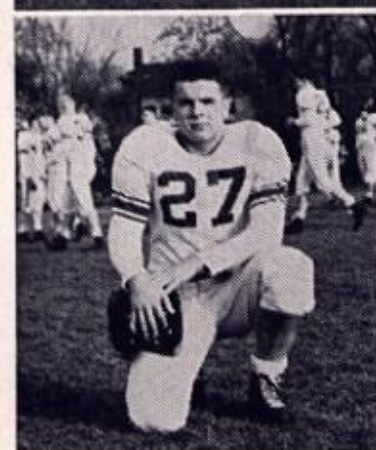

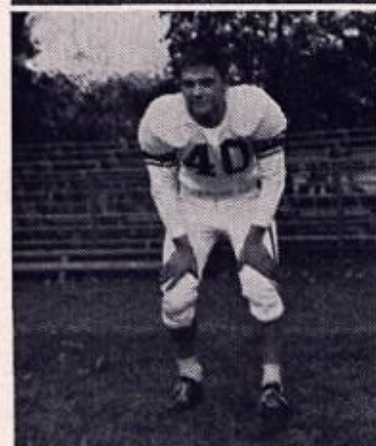

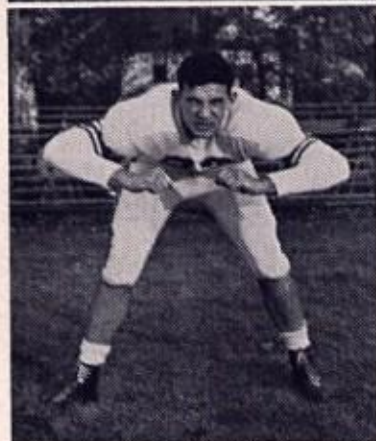

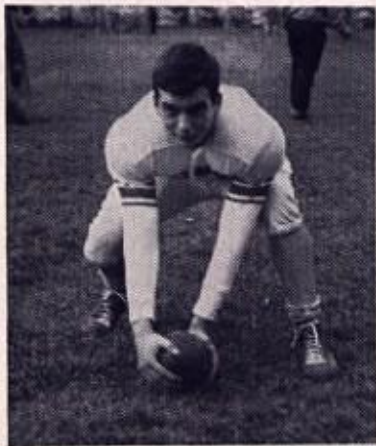

The next week Glenbard played host to La Grange. The day was terrible for football, for the field was almost a mudhole from a full day of rain. The mud forced both teams to stick to the ground for most of the game. La Grange led the scoring all the way. In the final minutes Glenbard scored their only 6 points on a long pass. The final score: La Grange 26, Glenbard 6.

Next came RB, who bowed to the Lions 51-0. La Grange met the ever stiff contender, Maine, the following week. The Plainsmen went ahead by one point when both teams scored in the first quarter. A last minute touchdown interception left Maine ahead 13-6 at half-time. This was the first time all year that the Lions had been trailing at the half. La Grange took the ball at the begin-

ning of the second half and hung on for eight straight minutes as they marched down the field for a touchdown. The extra point failed and La Grange still trailed by one. A fumble recovery deep in Maine's territory set up the third touchdown and La Grange pulled the game out of the fire with a score of 19-13.

Last year's conference champs, Downers Grove, proved to be little trouble to the Lions as they downed the Trojans 44-0. A tough Leyden team battled La Grange to a 7-7 draw. The following week York was easily subdued 32-0, and once again La Grange was the conference football champ. Here is an interesting fact: the La Grange point total for the season was 230; opposite total—26. No doubt the record made by this year's varsity squad will be unsurpassed for many seasons.

Once again coach Russ Deason's frosh-soph football team reigns supreme in the West Suburban conference. This year's outstanding team was not only undefeated, but untied, which is quite a record for any team.

The Cubs received quite a scare in their non-conference opener with New Trier. A very close first-half found New Trier leading 13-12 at the intermission. In the third quarter New Trier again scored. A 62 yard touchdown run by Bob McKown still left the cubs 20-19. In the last 27 seconds a short pass pulled the game out of the fire for the lion cubs, and they emerged victorious 25-20. The following three weeks saw the cubs run over the visiting Hinsdale team 20-0; drop Maine 26-24; and defeat R-B 27-20. The cubs put a nice beginning on the homecoming game with Downers Grove by defeating them

28-0. The following week the La Grange frosh-soph routed the visiting Leyden team 26-0. The closing game of the year, with York, was one of the more closely contested battles as La Grange won 12-0. An eighty-eight yard run by Bob McKown and a touchdown pass did the work for La Grange as York was held scoreless.

This year's victorious season makes the seventh straight year that Coach Deason has had a championship squad at L.T., a real record. Things look pretty good for next year's squad, too. Most of the freshmen picked up valuable experience and will be sparked by this year's outstanding frosh-soph runner, Bob McKown. The whole school will be backing next year's frosh-soph football team and hoping that Coach Deason will make it eight straight.

El Tee's cute twirlers really were an added attraction to our football and basketball games this year. The year's program was conducted by president Sally Coder; vice-president, Bonnie Frank; secretary, Connie Stevens; and treasurer, Ann Williams, under the guidance and encouragement of the club sponsor, Mr. Hilgen-dorf. The club's extra activities included a circus tent float in the Homecoming parade, and being in charge of the cloak room for the Mardi Gras. One explanation for their fine unison twirling is that they practiced every Monday night. Business meetings were held every other Wednesday.

Our big Homecoming and Memorial Day parades were also led by this smart stepping group of girls. Another attraction was the original Charleston step done by a group while twirling. The twirlers provided interest and color for many of our sports' events.

Captain Nat Wright

With Nat Wright as captain, the cheerleaders led many a rousing cheer for our championship teams in both football and basketball.

Tryouts were held in the fall at which both varsity and frosh-soph were chosen. The teamwork of Nat, Sue Bockewitz, Marlyn Kasson, Virginia Rhoads, Nancy Davies, Margaret Barton, Midge Miles, and Virginia Lindahl brought forth many effective new routines.

Later during the year a new addition was made to the squads: varsity and frosh-soph boy-cheerleaders. These boys were welcomed enthusiastically by the fans and should become a regular part of the cheerleading activities.

This year both squads received new uniforms, which were much admired by our student body as well as by the visiting schools. The cheerleaders also had a new sponsor, Miss Farr, and the girls really appreciated her help.

# Wrestling

Again sparked by Coach Max Armer, the varsity mat-men grappled their way to La Grange's second straight wrestling conference championship by compiling a final season record of eleven wins to only four losses.

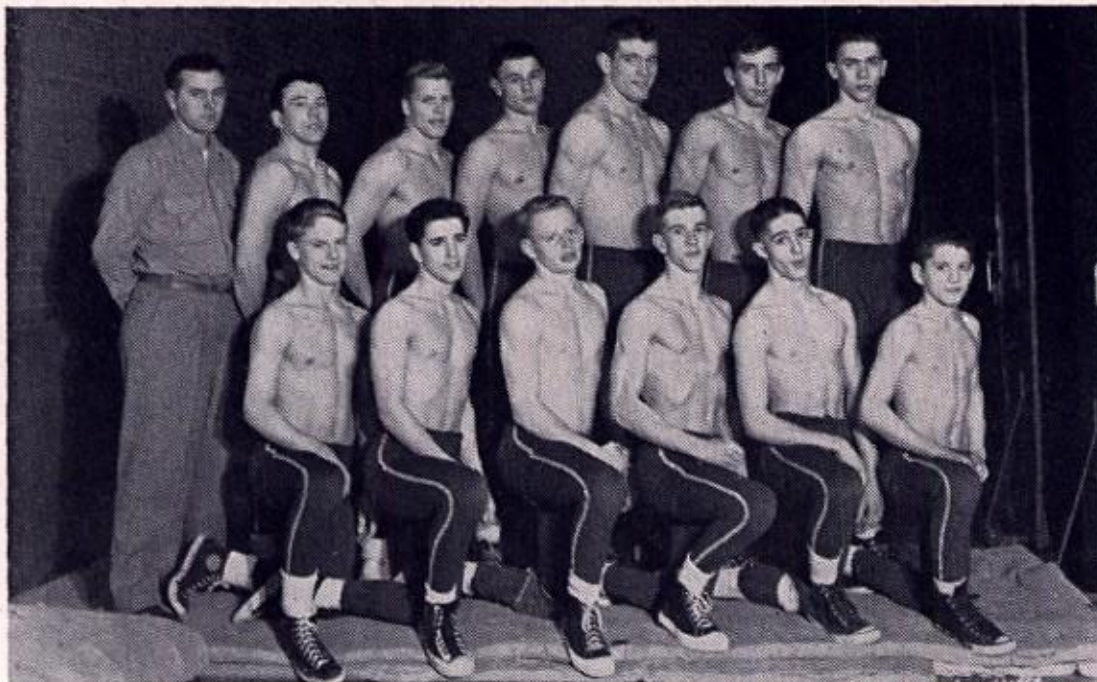

The season started successfully with quick victories over Leyden, Evanston, and Maine, but these were followed by a 14-23 defeat at the hands of a tough Joliet team on December 19. The Lions began the new year by beating Thornton, York, and Wheaton before bowing reluctantly to a rugged Proviso squad on January 16. Again the Armer men felt the taste of defeat when a determined Blue Island squad whipped them by a 14-22 score. The three-meet losing streak was completed when the wrestlers were walloped by New Trier, the eventual championship team. A confident Hinsdale squad was dealt an overwhelming 30-7 defeat by the Lions, who then outpointed Morgan Park, Leyden, R-B, and

Wheaton, thus ending the regular season in fine fashion.

The very strong Proviso squad took first place in the sectional eliminations held at R-B. La Grange and the host team tied for second place, each qualifying two men for the state meet. Elmer Alderdyce, wrestling at 154 pounds, was the only Lion to win first place. Heavyweight Dave Forgan took second, and Joe Alderdyce (133), Leroy Saban (145), Chuck Chase (103), and Dean Tank (112), the able team captain, each placed third in their weight divisions.

Both E. Alderdyce and Forgan displayed their ability in the state finals at Champaign. Forgan lost his consolation final match, ending up in fourth place.

Don Schweinberg (145), Chuck Wright (112), Jack Hurley (133), and Dick Busching (165) were competent regulars who contributed greatly to the success of this year's fine team.

# Varsity Basketball

Building around a nucleus of four returning regulars, Captain Lee Hallberg, Joe Remelsberger, Dave Watson and By Bennett, and with able assistance from Pete Scott and Dick Cole, Coach Greg Sloan shrewdly guided this great combination to the best season ever enjoyed by an LT varsity basketball team. This quintet was the first varsity team in LT history to go undefeated through a regularly scheduled season. Averaging nearly 60 points a game, this exceptionally well-balanced squad took the full measure of all competition, and in so doing acquired a second place rating in the state.

Beginning the season with two very decisive wins over Batavia and Niles, the team then whipped Maine by a score of 68-29 to open the conference race. The Lions then downed Hinsdale, Downers Grove, Glenbard, and New Trier without much trouble. Thornton, sporting a high rating in the state, then ventured to La Grange and felt the vicious sting of the unstoppable LT quintet. The next weekend the LT fans were shown two of the most exciting games of the season. Led by Cole with fifteen points and with Bennett sinking the winning free throw in the last ten seconds, the Lions conquered R-B by a 56-55 score. The next night Moline, (one of the finalists in the state tournament), ventured upstate to suffer a loss at the hands of the Lions.

With Remelsberger scoring 17 points and Watson close behind with 14 points, the Lions eked out a 54-53 victory by Dick Cole's winning free throw in the last few seconds of the game. Finishing out the first half of the season with an unblemished record, the Lion quintet came from a 13-10 deficit to outscore the opposing York five 20-4 in the second quarter to insure a 58-38 victory. Traveling downstate the next night, the Lions conquered the highly touted Springfield Senators by a 49-40 score.

Opening the second half of the conference struggle Maine was downed as handily as the first time. Following up this victory, the Lions, paced by "Sure-shot" Scott, trounced Hinsdale in a lopsided 65-39 contest. Glenbard then fell to the victorious five by 68-49 score to lengthen their winning string to 15 games. During the next two weeks the Lion five met a couple of the best centers in the state and the two leading scorers in the Chicago area, both averaging about 30 points a game. Both Grant of Argo and Dutcher of Downers felt the effectiveness of a new defense dreamed up for their benefit to the point that Grant scored only 17 points, and Dutcher had to scratch to get 9 by scoring 4 of them in the last quarter. Coming down to the wire in the conference battle R-B traveled to LT expecting a victory in view of their last en-

counter with the Lions. But R-B and her fans were set back on their heels by an unstoppable Lion offense and a good defensive game in which this great quintet scored to within one point of the school scoring record. In this game it was proven that height is not the only thing that matters in a basketball game because R-B had every starter over 6-1 and averaged about 6-3. The Lions then finished out the season with a close battle with a scrappy York quintet which also followed the course of 18 other would-be conquerors of the Lions by a score of 50-45.

The LT squad entered the Regional Tournament which was supposedly going to boil down into a fierce final battle between Morton, the state's number one team, and La Grange, ranked second. But after conquering Downers Grove 52-49 in the first game the Lions ran up against an inspired Hinsdale five which would not admit defeat. This Hinsdale outfit, trailing throughout the whole game, rallied in the last minute and one-half for five points and an overtime battle. Ansel Glendenning, a La Grange product, was mainly responsible for the Lion's defeat in that he scored a free throw after time had run out in the regular game to knot the score, and then scored two free throws in the overtime, which were the decisive points. The next night Hinsdale defeated a great Morton quintet in a game which followed exactly the pattern of the LT game.

Thus the curtain came down on the greatest and most memorable season an LT basketball team has ever turned in, or possibly ever will. LT had a basketball team this year of which every fan could well be proud. It takes a much greater team to stay on top throughout a whole season than just be up for one or two games, and this squad proved it. Congratulations to the team and the coach for a magnificent season!

## Frosh-Soph Basketball

Front Row: N. Smith, J. Groeser, J. MacRae, L. MacRae, T. Eichler, C. Elmore, W. Linsky. Row 2: Mgr. C. Sedgwick, D. Rudd, R. Caffey, T. Caizza, W. Kennedy, J. Lawler, Coach Glick. Back Row: Mgr. D. Fleming, J. Zettel, P. Brooks, D. McKeag, R. De Santis, H. Caffey, W. Johnston.

Following the example of the varsity team the Frosh-Soph quintet also turned in an undefeated record. Led by the two MacRae brothers and reinforced by Nathaniel Smith, Clinton Elmore, and Keith Gould this Glick-coached outfit produced a sparkling series of seventeen victories.

Starting the season with two wins at the expense of non-conference foes, the Cubs, paced by the MacRae boys, who scored better than 60 points between them, downed Batavia and Niles. Then the team began playing in earnest for the conference championship by defeating the Maine quintet 54-41. The next week the Hinsdale ball club gave the Cubs a scare and a tough battle, but again they came out on top, 47-44. They then took an easy victory from Glenbard by a 39-20 score to continue their winning form. But the next weekend the Downers Grove team had different plans for the unstoppable Cubs, and it was necessary for them to come from an eleven point half-time deficit to squeak by with a 44-42 victory and thus give them a 4-0 record in the conference.

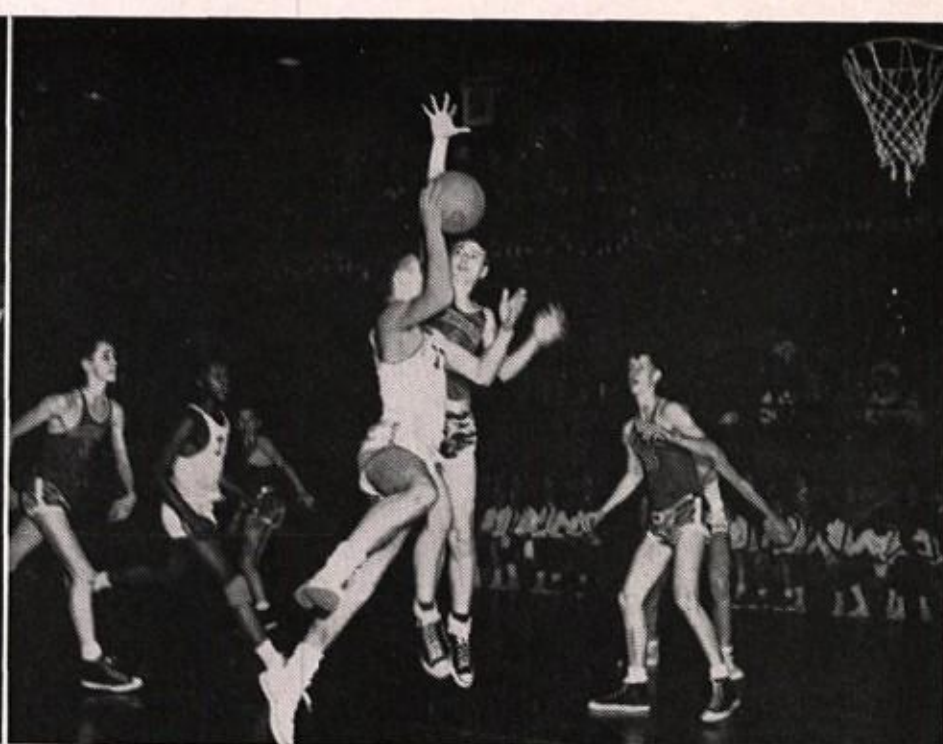

The next two games were played outside the conference and proved that non-conference teams were not any better than opposing conference teams in that they could not even slow down this smooth-working quintet. Both New Trier and

Thornton were easy victims as the squad marched on.

Returning to the conference fray the Cubs smeared a supposedly tough home-court team by beating R-B 47-27. Staying in their winning way the squad finished the first half and began the second half of the conference battle by downing York and then Maine for the second time. Then the visiting Hinsdale five, which had given the Lions such a rugged battle in the first encounter, were decisively beaten, 41-15. What started out as a nip and tuck battle in the first quarter suddenly turned into a rout as the home five held the visitors to one charity shot in the second quarter and not a single point in the third. The next night provided the squad with somewhat stiffer competition as they had to overcome a 21-11 half-time deficit to defeat a host Glenbard five, 35-29. Beating Argo outside the conference and then coming back to cinch the conference championship by whipping Downers, the Cubs stretched their victory string to 15 games. The last two contests (against R-B and York) proved to be the usual run-of-the-mill games, and the LT squad finished the season undefeated.

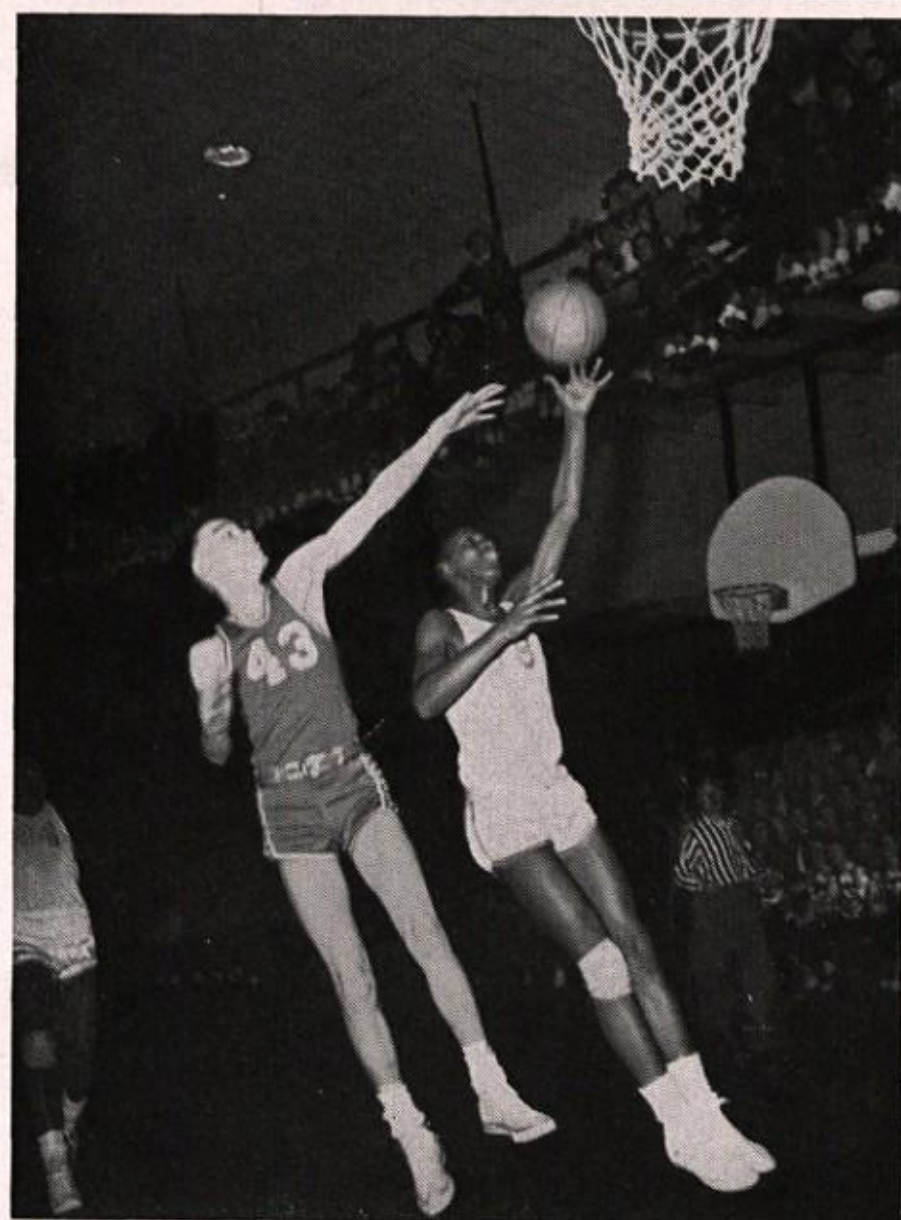

Congratulations to a fine team and coach for a record that speaks for itself.

With the Naperville and Oak Park Relays already chalked up in the victory column, the prospects for another successful year on the cinder paths are very good. The Lion track squad, taking an unexpected victory in the Oak Park Relays, shaped up as a formidable challenger for the state and conference titles. Maine seems to be the team to beat for the conference title, although the La Grange thinclads have come out on top in their last two encounters. This does not necessarily mean too much because of the transition to outdoor track, which is considerably different from running indoors. This conceivably could put Maine on top, but LT fans still insist that it will be another victorious year as far as the conference title is concerned.

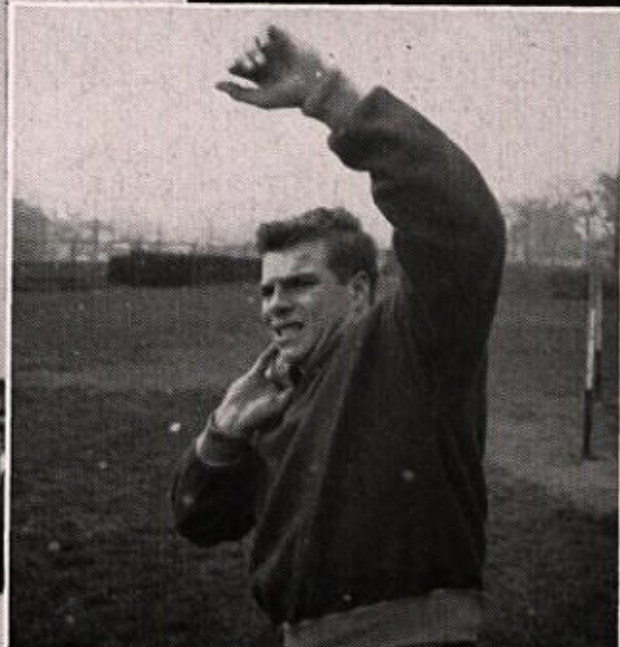

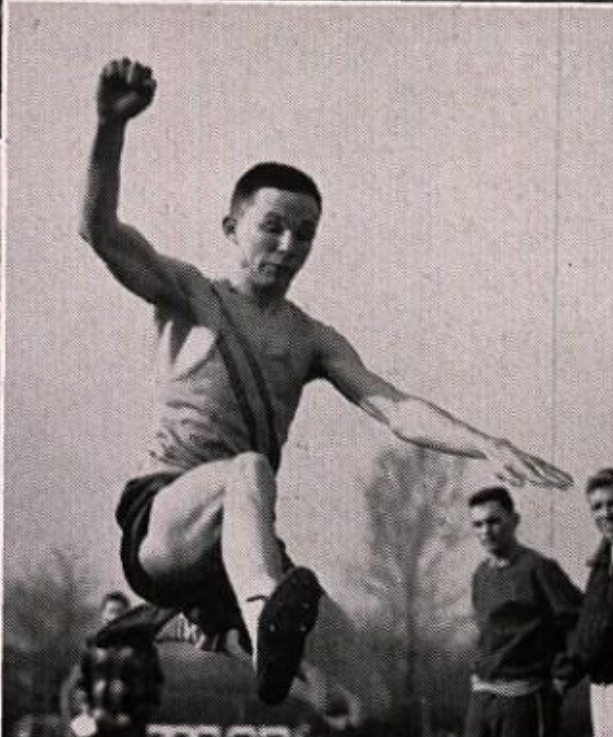

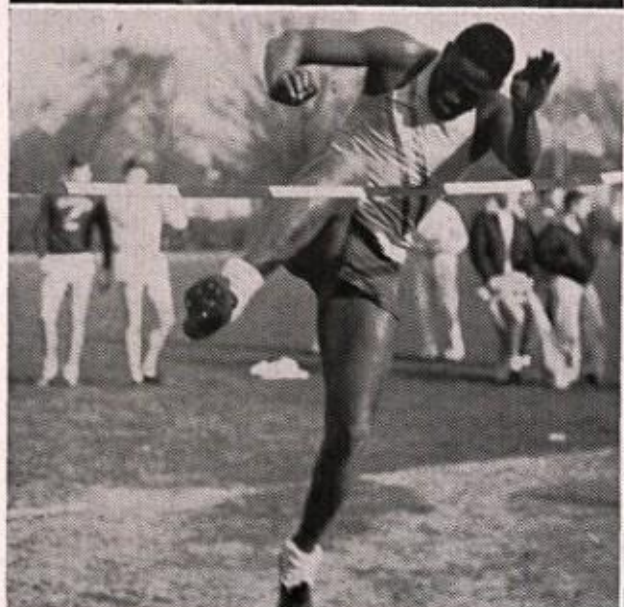

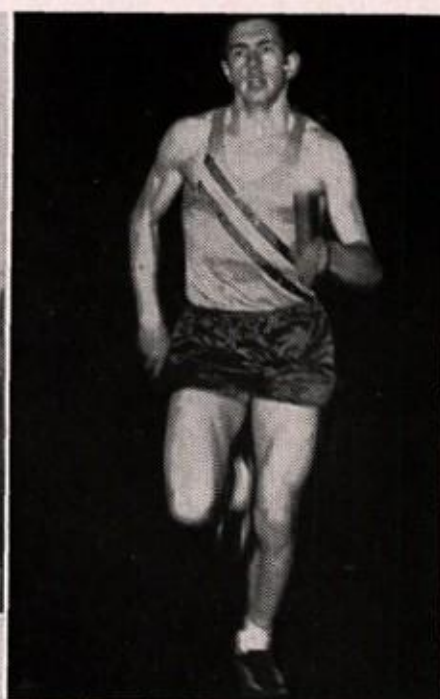

The highlight of the season so far has been the vaulting of Captain Dean McKown when he nearly bettered the national interscholastic pole-vaulting record in the Meet of Champions. When everyone thought that he had bettered the record the height was re-measured and found to be  $\frac{1}{8}$  inch low. Dean, with the help of Rod Webber, John Clay, Ben Johnson, Ken Segner, Bill Walcott, George Drake, John Zeitler, Charles Hayes, Ron Brodhay, and excellent coaching of Russ Deason, are hoping to continue the admirable record they have already begun.

Last year's team again turned in another record to be proud of by winning the conference title and taking fourth in the state.

# Baseball

Despite the loss of all but four boys from last year's state finalist baseball team, the varsity nine showed definite strength during the first few weeks of play. La Grange won their season opener on April 17 from R-B by a score of 8 to 5 before splitting with highly-rated Downers Grove two days later in a called game.

A snappy infield consisted of player-manager Elmer Alderdyce at first base, Dave Watson or Bill Burke at second, Howard Boykin at short, and Babe Hallberg at third. Coach Les Glick shifted outfielders Pete Wickemeyer, Willis Mickle, and Sylvester Hudson around regularly after the loss of Fred Caffey from the roster.

Ace pitcher Leonard Topps, a returning veteran from last year's squad, showed the steadiest hand while on the mound, but was ably assisted by Ronnie Williams and Lee Saban. The catcher's position was shared alternately by Nate Smith and Warren Thompson. Others who expected to see action were Ted Swanson and Ron Clark.

Maine, Downers and York were supposed to be the toughest teams in the WSC, but Coach Glick was confident that the Lion nine stood a good chance of coming out near the top this year.

Although the loss of six out of the seven boys on last year's championship tennis team left a big gap, Coach Frank Allen expected at the beginning of this season that the three singles assignments would likely be ably filled by Dick Cole, John Vaughan, and Bob Hoff, with the possibility of sophomore Bill Vaughan joining the varsity singles ranks in mid-season.

Good prospects for the first doubles combination were Dick Herberts and Van Ooms, while a second doubles team was picked alternately from Ron Prater, Bill Spick, and Dennis Butterfield.

The frosh-soph net team had many contenders for permanent singles positions, but Bill Vaughan, Bob Hansen, and Chuck Siebert proved to be the most valuable of these. Peter Dame, formerly of Downers, and Jim Groeser, looked good at the first doubles spot, while Dan Brower, Don Sessions, Allen Schultz, and Bill Siddon all were highly rated for the second doubles position.

## Golf

Bob Carlisle

Bob Carlisle, Allan French, and Gene McCoy were the only boys at the beginning of the season who held definite positions on Coach John Payne's eight-man golf squad. Good golf was expected from Carlisle, captain of the team, who was a main cog in last year's tournament play.

The fact that fifty boys signed up, many of whom are freshmen and sophomores, indicates that LT's future teams should have great possibilities. A new ruling states that three out of the eight boys on the squad must be either freshmen or sophomores. This will provide excellent experience for the underclassmen who played this year, and they should be more valuable to Mr. Payne in the next few years.

This year the method of determining the conference winner was changed. One-half value was placed on the interschool matches and the other half on a conference tournament held late in the spring. When the two were combined, the team with the lowest number of points was named the champion.

## G. A. A.

### OFFICERS

Seated: B. Fetzner, Pres. A. O'Donnell.  
Standing: J. Campbell, B. Green, P. Sloan.

G.A.A.'s numerous sports — swimming, basketball, volleyball, hockey, speedball, tumbling, horesback riding, modern dance, bowling, baseball, tennis, and archery, — all provide excellent opportunities for its members to attain true sportsmanship, and a good understanding of athletic techniques.

Several playdays are held during the year for athletic-minded girls from many of the West Suburban high schools. The G.A.A. interscholastic tennis team has been proved champions of the league for the last three years. Also competing in the league tournaments will be the G.A.A. archery team.

The ever-popular square dance was held in April. Anyone who has ever attended one of these knows that fun is had by all. A number of girls with fifty or more credit points were initiated in February at a solemn candlelight service.

Much credit for the success of this organization is due to Miss Hileman, Miss Haeger, and Mrs. Glick, all of whom contributed much time and effort to the club's activities.

## Leaders

Twenty-eight efficient gym leaders could usually be seen training every Thursday for their important job as assistants to the gym teachers. These girls receive valuable practice as referees besides learning good sportsmanship and the art of getting along with people.

### LEADERS

Seated: N. Bestler, F. Walker, G. King, C. Redis, N. Wood, G. Gunn, C. Stevens. Second Row: B. Blough, N. Wilson, D. Johnson, A. O'Donnell, J. Neburka, P. Sloan, S. Vandaveer. Third Row: Mrs. Glick, D. Filkins, M. Palmquist, J. Kleinschmidt, B. Fetzner, D. Wesley, S. Hagstrom, N. Drexler. Fourth Row: J. Campbell, G. Lewis, S. Johnston, V. Rhoads, N. Williams, A. Thompson, B. Greene.

## SPORTS HEADS

A great help to G.A.A. are the sports-heads, who give their time after school to direct the participants in sports in which they are particularly interested.

## SWIMMING

Special ballet routines were perfected by the G.A.A. swimmers at the 19th Century Club this year. For a ten minute period at the beginning of each class, Miss Haeger instructed the girls in the fundamental swimming strokes.

## VOLLEYBALL

Jo Ann Neburka's volleyball team captured first place in the volleyball tournament last winter. Manager Dottie Lingamin and Mrs. Glick helped the girls learn the techniques of the game before teams were chosen.

## ARCHERY

Diane Prappas assisted the female bowmen in their efforts to perfect their methods and form, while Miss Hileman sponsored the girls' team which participated in league competition.

## SPEEDBALL and HOCKEY

Vigorous workouts were given to the girls who came out for speedball and hockey this fall. Connie Stevens and Sally Coder were always on hand to supervise.

## BASEBALL

Another of the most popular sports was baseball. Girls from all classes formed teams under the leadership of manager Dinah Filkins, and really sent the horse-hides flying over fences for several days each week.

## MODERN DANCE

Many of the modern dancers presented in floorshows and assemblies were members of Miss Hileman's G.A.A. dance group. A dance playday at Elgin was a highlight of their activities.

## BASKETBALL

Girls from all four classes participated in lively basketball games several times each week during the winter quarters. Jo Ann Neburka and the three gym teachers taught the girls the fundamentals of the game before the important elimination tournament began.

## TUMBLING

Difficult acrobatic feats were learned by Nancy Wood's tumblers who earned five activity points per stunt. Mrs. Glick instructed the girls in group stunts such as pyramids and the human structures in the picture.

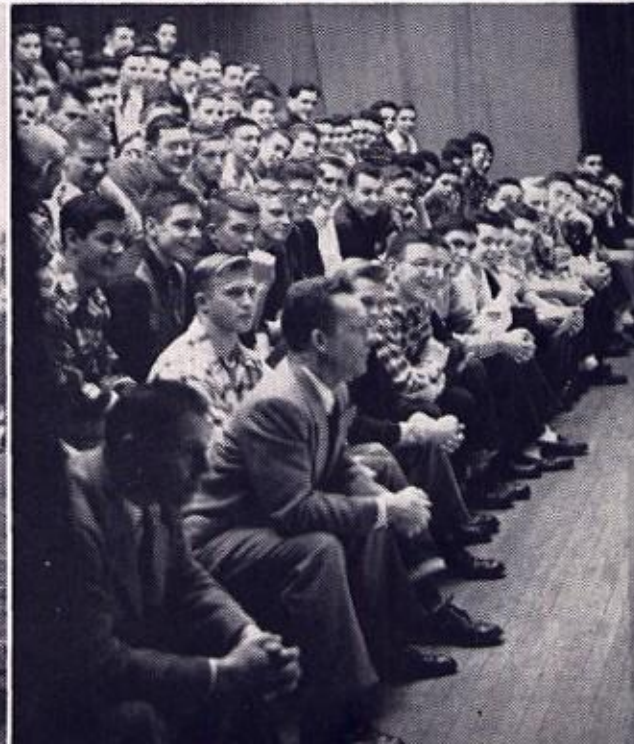

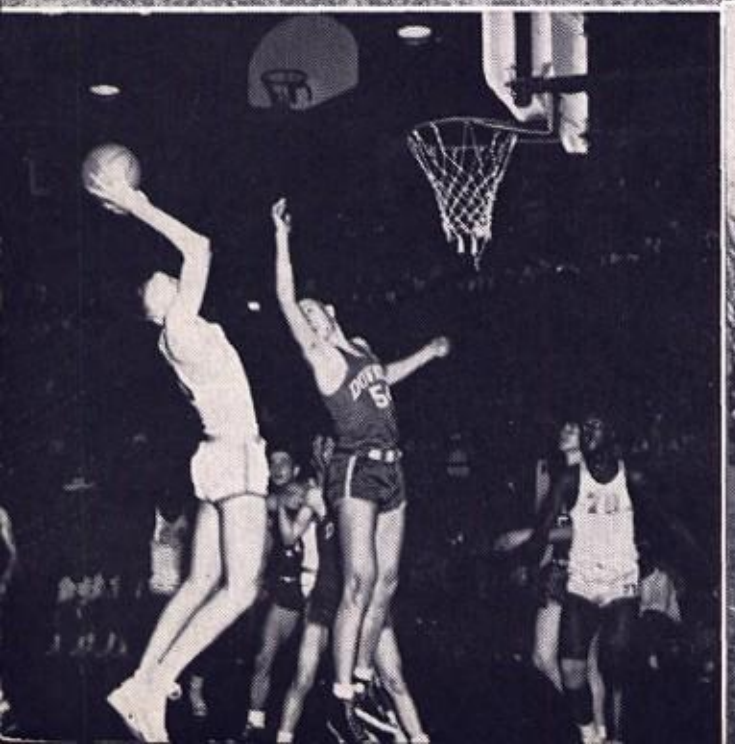

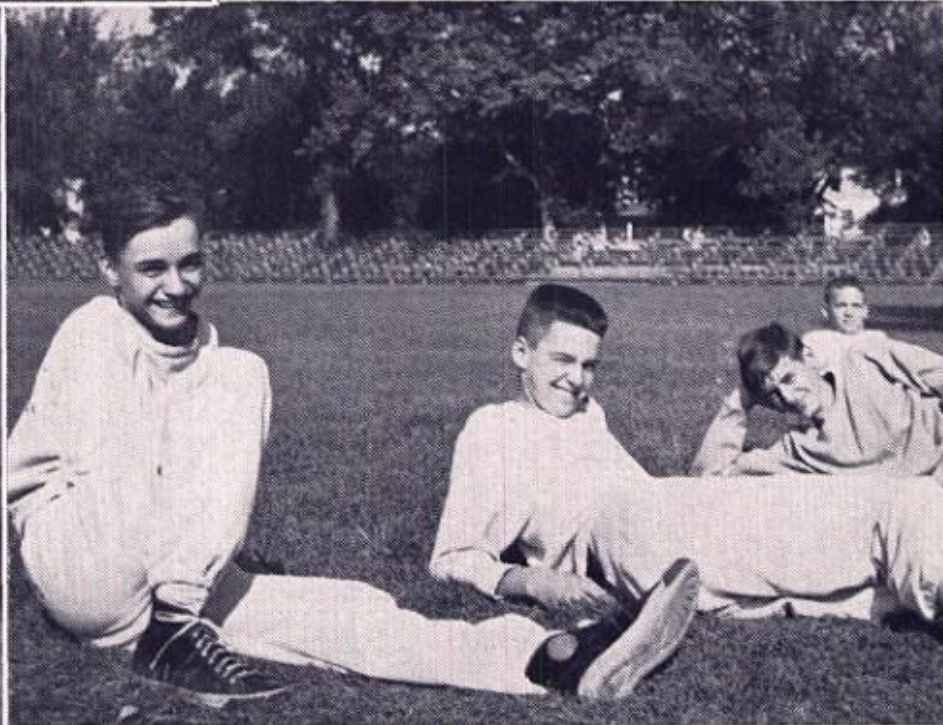

## BOWLING and TENNIS

Such a large number of girls signed up for G.A.A. bowling that the group was divided into nine week terms. The top five bowlers were on the team which took fifth in the Illinois High School Telegraphic Bowling Tournament. Miss Thompson and Mrs. Lenser were the groups' sponsors.

The 1951 G.A.A. tennis team, which consists of six girls, is divided into two double sets and two singles sets. Under the coaching of Miss Haeger, they began their interschool tournament with six neighboring high schools.
